

FAMILIENSCHAUFENSTER

project 1 - hands

An online project for big and small - join in from home!

Dear children, parents, visitors and friends of the Einhorn Family Center!

Since 16.03.2020 the Family Centre is closed due to Corona!
The Unicorn is all alone and has thought of a project for you.
And you can participate from home! 😊

We describe the project on the following pages and look forward to your participation –
by Email or by Mail.

We will gather the works of art and the results of all the works will be exhibited and presented in
our new “Family-Window-Gallery”. At regular intervals we show here community projects that are
created by many hands - your hands!

The hands now form the beginning.
And for that we need yours.
Support us from home!

Oh yes ... and we have to correct:
The unicorn is not all alone,
some guests stayed here ...😊

Kind regards
Your Einhorn-Team

Step one:

Look at your hands and arms. How big are they? How are they shaped?

Draw a large outline on a white or colored paper.

If someone has a little brother or sister who can't paint yet, then you paint it for them.

For the adults: We need also need your hands!

Join in and paint together with your children!

Step two:

Now you can decorate your hand with colors, shapes and ideas. For example. with your favorite animals and patterns, in watercolors, with colored pencils, paste on your photo, write your name ... And remember how precious your hands are and what you can do with them all day!

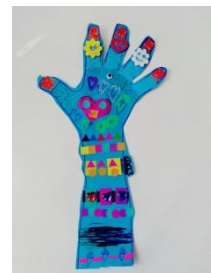

Step three:

Cut out the hand or leave it on the paper, photograph or scan it and send the picture with your name to: leitung-familienzentrum@deineinhorn.de

Oder by Mail:

Familienzentrum Einhorn
Fredersdorfer Str. 10
10243 Berlin

We will raffle three vouchers among the entries to have ice cream, for the whole family!
But this will only be when we have allowed to go out again.

We will be happy to receive your artwork!

And ... don't take too long, because we will resend you next week a new project in which you can participate from home!

Kind Regards
Your Einhorn-Team ☺
